PROFESSIONAL SUMMARY

B.Tech Computer Science graduate (2025, KIIT Bhubaneswar) with hands-on experience in SQL, Power BI, and Excel for data-driven business analysis. Skilled in transforming business data into actionable insights through dashboard development, KPI reporting, customer segmentation, and revenue analysis. Developing expertise in requirement gathering, BRD/FRD documentation, user stories, process mapping, and Agile Scrum. Strong analytical, problem-solving, and stakeholder communication skills.

TECHNICAL SKILLS

Business Analysis: Requirement Gathering | BRD | FRD | User Stories | Use Case Development | Process Mapping | Gap Analysis | Stakeholder Communication

Data Analysis & BI: SQL | MySQL | Power BI | Microsoft Excel (Pivot Tables, VLOOKUP, SUMIF, SUMIFS, COUNTIFS) | Dashboard Development | KPI Reporting | Customer Segmentation | Data Visualization | Data Cleaning

Agile & Project Mgmt: Agile Methodology | Scrum Framework | Sprint Planning | Sprint Reviews | JIRA | Confluence

Programming & Tools: Python | Java | MongoDB | MySQL Workbench | Git | AWS | Linux

PROJECTS

Retail Sales & Customer Behaviour Analysis | SQL | MySQL

- Analyzed customer demographics, purchasing behaviour, and revenue trends using 15 SQL queries with JOINs, Subqueries, Window Functions, Aggregate Functions, and CASE Statements.
- Performed customer segmentation and profitability analysis; documented findings in a structured BA report with actionable recommendations for customer retention and sales growth.

Retail Sales Dashboard | Power BI

- Designed an interactive Power BI dashboard with KPI cards, trend analysis, and drill-down reports to monitor revenue, profit, customer behaviour, and product performance.
- Built dynamic filtering for data exploration; delivered executive-level business insights supporting strategic decision-making.

Retail Sales Analysis | Microsoft Excel

- Performed data cleaning and analysis using Pivot Tables, Pivot Charts, VLOOKUP, SUMIF, SUMIFS, COUNTIFS, and Slicers to identify top products, customer segments, and revenue drivers.
- Developed business reports and KPI summaries to support operational decision-making and business performance monitoring.

INTERNSHIP

Network Cybersecurity Intern | Hackie Infosec Pvt. Ltd May 2023 – Aug 2023

- Participated in security audits and compliance reviews; analyzed operational processes and documented structured findings for senior engineers.
- Prepared technical reports and communicated observations to stakeholders, developing analytical documentation and reporting competencies.

EDUCATION

B.Tech – Computer Science and Engineering, KIIT University, Bhubaneswar, 2021 – 2025
